TYPES OF ISSUED IDENTITY CARDS

☐ **with machine readable data, 2D code and with electronic contact chip**

☐ **with machine readable data, 2D code, without electronic contact chip**

☐ **without machine readable data**

    (will be issued in exceptional cases and with a limited validation period only)

IDENTITY CARD WILL BE ISSUED TO:

❑ **OBLIGATORY**

- **citizens of the Czech Republic of age >15 years with a permanent residence address in the Czech Republic**

❑ **VOLUNTARILY**

- citizens of the Czech Republic of age <15 years
- citizens of the Czech Republic with a permanent residence address abroad
- citizens without capacity of legal acts

PROTECTION AGAINST MISUSE OF E-ID CARD

card will be protected with a security personal code, which:

❑ verifies the eligibility of electronic identification of the ID card holder for the communication with the public administration systems; works similarly as the PIN code for credit cards

❑ consists of a combination of at least 4 and at most 10 digits

❑ citizen can choose the security code after reception of the ID card and can change it at any public administration contact point

❑ after the third false attempt the possibility of electronic identification is blocked and can be unblocked upon request of the citizen at any local authority

DATA WRITTEN IN THE E-ID CARD

- ❑ **given names**
- ❑ **surname**
- ❑ **date of birth**
- ❑ **place of birth**
- ❑ **sex**
- ❑ **citizenship**
- ❑ **citizen's photo and signature**
- ❑ **ID number**
- ❑ **date of expiry**
- ❑ **date of issue**
- ❑ **issuing authority**

WAY OF SUBMITTING THE REQUEST FOR ISSUE OF e-ID CARD

personally at **any** local authority with extended powers

electronically (provided the legislative conditions are fulfilled) at any local authority with extended powers according to the place of residence

PRINT OF A REQUEST FOR ISSUE OF THE e-ID CARD

For printing a request for e-ID production the following data sources will be used:

- ☐ **register of citizens (ROB)**
- ☐ **information system of citizens**
- ☐ **information system of passports (and from 2011 on even the information system of identity cards)**

Citizens will not submit a photo themselves – this will be taken directly at the local authority with extended powers in the photo cabin.

WAY OF DELIVERING OF THE e-ID CARD

Citizen can obtain the e-ID card at any local authority with extended powers mentioned in the request.
