Project type: CSA (Support Action)

Project Focus: Pre Commercial Procurement for eGovernment

Pre-commercial procurement - principle

PROGR-EAST project – main objective

Actual scenario

PROGR-EAST objective

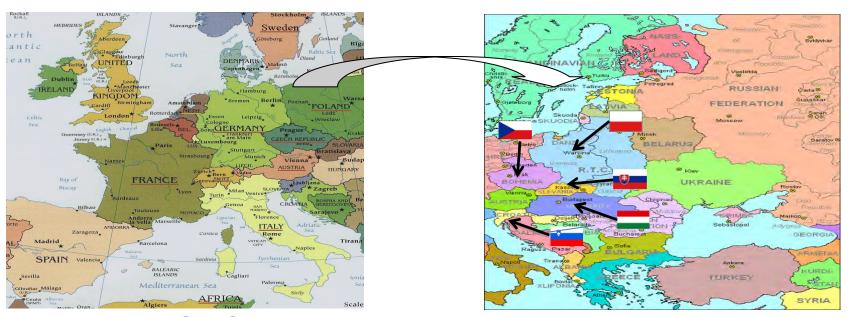

PROGR-EAST - Project detail objectives

- 1 highlight main needs and constraints for the implementation of PCP in NMS;
- 2 increase awareness and capabilities on PCP strategies to public authorities and to Research and industrial stakeholders;
- 3 identify concrete short term technology focus in NMS suitable for PCP and encouraging the implementation of PCP pilot projects;
- 4 initialize a dialogue among principle public authorities in order to define medium and long term objectives for PCP

Partnership and geographical dimension of PROGR-EAST

PROGR-EAST Consortium

- Innova S.p.A. (Coordinator): consultant company from Italy
- University of Ljubljana: University from Slovenia
- Theodor Puskas Fundation: Innovation agency from Hungary
- BIC Bratislava: Innovation agency from Slovakia
- Innovatika sp. z.o.o: consultant company from Poland

PROGR-EAST - project activities

☐ Context assessment and clusterization of Public Administrations Mapping and analyses of PCP in Europe and US Awareness campaign and capacity building □ Pilot actions □ Road map for PCP in Eastern Europe □ Horizontal activities (Dissemination & Project Management)

PROGR-EAST - Expected outcomes

- 1. Country report and cross analyses for PCP in NMS
- 2. "PCP Handbook"
- Organization of 5 workshops the target countries and of one training session
- 4. Implementation of Pilot actions for PCP
- 5. Policy recommendation for EC and EU stakeholders on PCP

PROGR-EAST - Status of the activities (1)

Analyses of New Member States

Key findings

- No specific barrier to the implementation of PCP
- Different level of knowledge and perception

Identification and analyses of PCP cases

PROGR-EAST - Status of the activities (2) NATIONAL WORKSHOPS

April 28, 2011 – Prague, CZ June 2011 – Bratislava, SK June 2011 – Budapest. H - Ljubljana, SLO - Warsaw, PL
